
Andrew Baker
Proposal Manager

Andrew Baker is a proposal and bid development expert who is dedicated to crafting high-quality responses to both federal and commercial business opportunities. For the last 14 years, he's served customers across various industries in a variety of roles, including Teacher, Trainer, Editor, Operations Manager, Proposal Writer, and Proposal Manager. He currently serves as the Proposal Manager for HRS and leverages his diverse background in creative writing, operations management, and teaching to streamline the development of all HRS proposals. In addition to overseeing the bid development process, he leads HRS's growth initiatives by overseeing the entire business development pipeline and nurturing partner relationships.
