**Lee Flowers**  
*Co-Founder & President*

**Lee Flowers** is a US Air Force Veteran and senior executive with extensive experience leading major performance improvement initiatives and turnarounds in complex global businesses with entrenched cultures. He has served as President and CEO of Continuum, Inc. (developer of high-tech lasers for medical & defense industries), Executive VP of Dade International and Baxter Diagnostics, Inc. (Baxter's largest subsidiary), and President of Baxter Health Care Divisions. At HRS Consulting, Inc., he has focused his business and process acumen on numerous private and public sector healthcare institutions, achieving highly successful improvements in high reliability safety and productivity and has provided high level oversight and business expertise for major safety and efficiency initiatives while serving on Boards of Directors of companies in the US, Japan, and Canada.
